After publication of this article [1], the authors reported that the Acknowledgements section should have read ‘The authors acknowledge the role of Sarah Jones at VSHD/OASIS for conducting the country assessments

and compiling the report findings with the help of in-country consultants, Eugène Kanyamanza, Evangeline Dushimeyesu, Gabriele von Wahlert, Philip Dorrell, and Sameena Chowdhury and as well as the collaboration of key informants who shared their valuable knowledge with the authors.’

The original article [1] has been corrected.
