# Erratum to: A study protocol for facility assessment and follow-up evaluations of the barriers to access, availability, utilization and readiness of contraception, abortion and postabortion services in Zika affected areas

Moazzam Ali\*, Rachel Folz, Kelsey Miller, Brooke Ronald Johnson Jr and James Kiarie

## Erratum

The original version of this article [1] unfortunately contained a mistake. All occurrences in the main text referring to the research carried out in the following countries: Brazil, Honduras and Columbia should instead be replaced with “Brazil, Honduras and Panama”. The original version of this article has been updated to reflect this change.

Published online: 22 August 2017
