# Correction to: Study protocol on establishment of sentinel sites network for contraceptive and abortion trends, needs and utilization of services in Zika virus affected countries

Moazzam Ali\*, Kelsey Miller, Rachel Folz, Brooke Ronald Johnson Jr and James Kiarie

## Correction

The original version of this article [1] unfortunately contained a mistake. All occurrences in the main text referring to the research carried out in the following countries: Brazil, Honduras and Columbia should instead be replaced with “Brazil, Honduras and Panama”. The original version of this article has been updated to reflect this change.
